

DEEP CREEK WATER USER'S MEETING

MARCH 15, 1977

Don Norseth opened meeting and gave water picture - does not look good anywhere in the state. Uintah Basin - 11% of normal as of now. Forecast is 30% of normal.

Don was retained as Chairman. Bob Guy read the minutes of last meeting which were approved as read. Don Norseth read the financial statement. Ferrell Simmons moved, and Charman Justice seconded that the financial statement be approved. Motion carried.

Charman Justice read her commissioners report.

Discussion on Deep Creek and Mosby water. Don stated that return flow becomes part of the system. Arben Wilkerson asked why there needs to be weirs on Mosby and Deep Creek? Charman explained that she needs the weirs to separate Mosby and Deep Creek Water. Charman requested a working schedule for Julius Park. Don Norseth said he would order Mosby to designate one person to deal with Charman.

Commissioners report approved as given.

Budget: Marvin Huber moved and Arben Wilkerson seconded that the Budget be the same as 1976. Motion carried.

Arben suggested that Charman be the water commissioner again.

Dave Murray and Martin Huber are the directors assigned to check the Blanchet Park diversion.

Marvin Huber moved and Martin Huber seconded that Charman be recommended for water commissioner. Motion carried.

Water User's Committee: Marvin Huber, Orlando Cook & Ferrell Simmons. Motion made by Arben Wilkerson and seconded by Martin Huber.
